Hey everyone, it's Tomo and we are in the desert of Corpus Christi, Texas baking in the 105 degree summer heat.

We're on a 5 show run through the heart of Texas (last nite San Antonio defined the meaning of rock) Our new record comes out in 5 days, and then we can exhale! It's been great seeing all the Echelon out there on the road, and all the new faces that have surfaced. We can't wait for A Beautiful Lie to come out so that you all can share in the past 2 years of our lives making this record.

See you all soon...

Tomo
